

## Descriptions of Zone Boundaries

- Zone 1:** From the mouth of the river to Tongue Pt. (RM 18). The lower deadline is from the knuckle of the south jetty to the inshore end of the north jetty. The upper deadline line is from flashing red light # 44 just east of Tongue Pt. north to the beacon light at Grays Pt.
- Zone 2:** From Tongue Pt. (RM 18) to Oak Pt. (RM 53). The upper deadline is from flashing green marker # 81 on the Washington side to a marker on the east end of the Beaver Terminal Pier in Oregon.
- Zone 3:** From Oak Pt. (RM 53) to Warrior Rock (RM 87). The upper deadline is a line projecting true west from the east bank of Lewis River west to the flashing white 4 sec. light at Warrior Rock.
- Zone 4:** From Warrior Rock (RM 87) to Rooster Rock (RM 129). The upper deadline is a straight line running true north from Rooster Rock.
- Zone 5:** From Rooster Rock (RM 129) to Beacon Rock (~ RM 141). The upper deadline is a straight line from the deadline marker on the Oregon side (~ 4 miles below Bonneville Dam Powerhouse # 1) through the West end of Pierce Island to a deadline marker at Beacon Rock on the Washington side of the river.
