Columbia River Fishery Notice
Oregon Department of Fish and Wildlife August 16, 2017

Compact Action

The Columbia River Compact agencies of Oregon and Washington met today and took the following actions:

Non-Treaty Fisheries

Mainstem Commercial Early Fall Fishery

- Adopted a season as follows:

  9 PM Tuesday August 22 to 6 AM Wednesday August 23 (9 hours)
  9 PM Thursday August 24 to 6 AM Friday August 25 (9 hours)
  9 PM Sunday August 27 to 6 AM Monday August 28 (9 hours)
  9 PM Tuesday August 29 to 6 AM Wednesday August 30 (9 hours)
  9 PM Thursday August 31 to 6 AM Friday September 1 (9 hours)

Area: Zones 4-5. The deadline at the lower end of Zone 4 is defined as a straight line projected from the Warrior Rock Lighthouse on the Oregon shore easterly through the green navigation Buoy #1 and continuing to the Washington shore.

Sanctuaries: Washougal and Sandy river sanctuaries are in effect.

Gear: Drift gillnets only. 9-inch minimum and 9¾-inch maximum mesh size restrictions.

Nets that are fished at any time between official sunset and official sunrise must have lighted buoys on both ends of the net unless the net is attached to the boat. If the net is attached to the boat, then one lighted buoy on the opposite end of the net from the boat is required.

Multiple Net Rule not in effect. Nets not specifically authorized for use in this fishery are prohibited onboard the vessel.

Allowable Sales: Chinook, Coho, Pink, and Sockeye salmon, white sturgeon, and shad. A maximum of six white sturgeon with a fork length of 44-50 inches may be possessed or sold by each participating vessel during each calendar week (Sunday through Saturday). The six white sturgeon possession and sales limit applies to mainstem fisheries only.

Observer Program: As a condition of fishing or participating in this fishery, owners or operators of commercial fishing vessels must carry and accommodate a Department observer for the duration of the fishing trip when requested. It is unlawful to deny access or fail to carry a Department observer upon request. When a Department observer is onboard, it is expected that any steelhead caught will be brought onboard for biological sampling prior to release. As used in this rule, a Department observer is an employee of either the Washington Department of Fish and Wildlife, the
Oregon Department of Fish and Wildlife, or Pacific States Marine Fisheries Commission.

**Reporting Rules:** Oregon buyers are required to submit fish receiving tickets electronically pursuant to OAR 635-006-0210. Electronic fish tickets must be submitted within 24 hours of closure of the fishing period, or within 24 hours of landing for fishing periods lasting longer than 24 hours.

24-hour quick reporting will be required for Washington wholesale dealers, per WAC 220-352-180.

---

**Treaty Indian Fisheries**

**Allowed commercial sales of fish landed in the following fisheries:**

**Fall Commercial Gillnet Fishery**

**Washington Reporting Rule:** 24-hour quick reporting required for Washington wholesale dealers, per WAC 220-352-180, except that landings must be reported within 24-hours of completing the fish ticket.

---

**FUTURE MEETINGS**

- A Compact hearing is scheduled for 1 PM Wednesday September 6, 2017 via teleconference to consider additional treaty commercial gillnet openings.

- For information concerning these decisions see the August 16, 2017 Fall Fact Sheet #2 at: [http://www.dfw.state.or.us/fish/OSCRP/CRM/fact_sheets.asp](http://www.dfw.state.or.us/fish/OSCRP/CRM/fact_sheets.asp)
